A bilingual agency
for sport organizations

NCCP project readiness worksheet

Six questions to prepare a coach education project. Answer them on your own or bring your answers to a first conversation.

NCCP: National Coaching Certification Program.

1 What pathway and resources exist today?

Bring current material or ask for an inventory and gap review.

2 Who are the coaches and what must they learn or demonstrate?

Agree the audience, action and technical input.

3 Who owns the project and approves spending?

Identify operational and spending decisions.

4 What review and official approval route applies?

Map reviewers and submission responsibilities.

5 Who produces and approves each language?

Set terminology and language-review ownership.

6 What delivery or pilot window is realistic?

Check participant access and review capacity.
